

SCRIPTURE SEARCH (Make-up Assignment 1)

Confirmation begins with Jesus. Confirmation is a public celebration of your Christian identity who you have been, are now, and will be as a disciple of Jesus. But what exactly does it mean to be a disciple of Jesus?

Read Mark 10:17-22. In your own words, summarize what happened.

What do you think Jesus meant when he told the young man to give up everything and then come follow him? Did Jesus mean this literally, or do you think Jesus' words were symbolic of something else? Explain your answer.

What were the possible riches, other than money, that the young man could have had?

What five riches could prevent young people today from responding positively to Jesus' call to discipleship?
